NYSAMS Math Summit Series: Virtual Webinar Series – Session II

Wednesday, December 9, 2020 from 4:00 p.m. to 5:30 p.m. via ZOOM.
Speaker and Discussion: 4:00 – 5:15 and Business Meeting: 5:15 – 5:30

Description: Presentation by Former NCSM President and author, Dr. John W. Staley on current topics of Equity, Access, Accountability, Student Engagement, and Teacher Well Being. Break-out sessions will follow for participants to share. After coming together to report out, a brief NYSAMS Business Meeting will be held, at which time elections will take place.

Presenter:

Dr. John W. Staley– Winner of the Presidential Award for Excellence in Teaching Mathematics and Science; Served as President for NCSM, the national mathematics education leadership organization. He currently serves on several advisory boards and is the chair of the U.S. National Commission on Mathematics Instruction. He was part of the writing teams for Catalyzing Change in High School Mathematics: Initiating Critical Conversations (NCTM, 2018), Framework for Leadership in Mathematics Education (NCSM, 2020), and High School Mathematics Lessons to Explore, Understand, and Respond to Social Injustice (Corwin Publishing/NCTM,2020).

Registration Information:

All participants will receive a complimentary 2020-2021 membership to NYSAMS.

NYSAMS is authorized to provide CTLE credit to all participants upon request.
